

Step 1. Identify Georgia on a map of the United States

Date Completed: _____

Step 2. Complete the coloring sheet about Georgia here:

<https://www.crayola.com/free-coloring-pages/print/georgia-coloring-page/>

Date Completed: _____

Step 3. Learn about a famous person from Georgia and tell your Junior Grange about them

Date Completed: _____

Step 4. Using a map, find out how far Georgia's capitol is from your house and talk to someone - a parent or any Grange member - about what you might see on a road trip to the State's capitol city. List a few things you might see on your journey:

Step 5. Explain to a fellow Granger or family member your favorite thing about Georgia that you learned (If you are from this state, tell them what you love about your state). Examples: What is your favorite history fact? What is your favorite agricultural product from this state? If you were to visit this state, what would you want to see? Do you want to visit this state one day?

Granger: _____

Date Completed: _____

Write Some of your answers here:

Step 6. Research the Governor of this state and send a postcard to the Governor's office telling them that you have been learning about their state. Mention your favorite things about their state and what you have learned. See sample letter if you are unsure of what to say.

Dear (Insert the Name of Governor),

My name is (your name) and I am a Junior Granger from (insert YOUR state). I am participating in our Junior Grange passport program that lets us learn about a variety of things about your state. My favorite thing about your state is (insert what you like about that state). I enjoyed learning about your state agricultural products and even made a recipe with (insert what you made your recipe with. i.e. blueberries, raspberries, or potatoes)

Your New Friend,
(Insert your name)

Date Completed: _____
