

Step 1. Look up all the different French-speaking (francophone) countries there are in the world and identify at least 10 on a map.

Date Completed: _____

Step 2. Look up and write down 5 new facts about France and its culture that you didn't know.

Date Completed: _____

Write your answers here:

Step 3. Watch the video provided on the French alphabet and practice with your parents or a family member to correctly pronounce all the letters. Write down at least 3 letters that you noticed sound different to those in the English alphabet.

<https://youtu.be/5xuZxGirWQI>

Date Completed: _____

Step 4. Complete section A on the worksheet. Practice saying the words as you match them.

Date Completed: _____

Step 5. Watch the video provided and practice counting from 1-20 in French. Share this skill with a parent or family member when you think you've gotten it. <https://youtu.be/dhj9SqrIZqI>

Family Member: _____

Date Completed: _____

Step 6. A cognate is a word that looks similar in two different languages and has the same definition in both languages. Complete Section B on the worksheet matching English and French cognates.

Date Completed: _____

Step 7. Find a video/TV show episode/movie in French and watch it. Try to figure out what is going on without looking at the English subtitles. (Helpful Tip: there are a lot of American shows in French on YouTube for free!)

Name of Video: _____

Date Completed: _____

Step 8. With a friend or fellow Granger go through the script in Section C. Take turns on each part. Feel Free to use google to get the proper pronunciations!

Date Completed: _____

Step 9. Make a list of at least 3 jobs that would require the use of the French language.

Date Completed: _____
